iii) The pricing of the equity shares to be allotted on preferential basis to the Non-Promoter Group and Exercise Price of the Convertible Warrants to be allotted to Promoter and Promoter Group shall not be lower than the price determined in accordance with the SEBI (ICDR) Regulations. Currently, SEBI (ICDR) Regulations, provides that the pricing for the issue of securities on preferential basis by a listed Company is to be based on the following:

a) *In case of "frequently traded shares":*

The allotment of securities on preferential basis can be made at a price not less than higher of the following:

The average of the weekly high and low of volume weighted average prices of the related equity shares quoted on the recognized stock exchange during the twenty six weeks preceding the relevant date;

or

The average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognized stock exchange during the two weeks preceding the relevant date.

"frequently traded shares" means shares of an issuer, in which the traded turnover on any stock exchange during the twelve calendar months preceding the relevant date, is at least ten per cent of the total number of shares of such class of shares of the issuer:

Provided that where the share capital of a particular class of shares of the issuer is not identical throughout such period, the weighted average number of total shares of such class of the issuer shall represent the total number of shares.

b) *In case of "infrequently traded shares":*

The price determined by the issuer shall take into account valuation parameters including book value, comparable trading multiples, and such other parameters as are customary for valuation of shares of such companies:

Provided that the issuer shall submit a certificate stating that the issuer is in compliance of this regulation, obtained from an independent merchant banker or an independent chartered accountant in practice having a minimum experience of ten years, to the stock exchange where the equity shares of the issuer are listed. The Relevant Date for the purpose of pricing of the Equity Shares is November 20, 2014 being 30 days prior to the date of EGM.

"Stock Exchange" for this purpose shall mean Bombay Stock Exchange Limited where the shares of the Company are presently listed.

The Company's total trading volume during the twelve calendar months preceding the relevant date is less than 10% of the shares of total paid up capital of the Company and therefore your Company is coming under "infrequently traded shares" category. Since, your Company's shares are coming under "infrequently traded shares" category, the price at which the equity shares to be issued has been determined by taking into account valuation parameters including book value, comparable trading multiples, and such other parameters as are customary for valuation of shares.

The Company undertakes that, it shall re-compute the price of the above equity shares in terms of the provision of SEBI (ICDR) Regulations, where it is required to do so.

The Company also undertakes that, if the amount payable on account of the re-computation of price is not paid within the time stipulated in these regulations, the specified securities shall continue to be locked-in till the time such amount is paid by the allottees.

- iv) The Equity Shares and shares issued on conversion of Warrants, pursuant to the proposed special resolution shall be subject to lock-in as per SEBI (ICDR) Regulations.
- v) The Equity Shares allotted pursuant to the above Resolution shall rank in all respects *pari-passu* with the existing Equity Shares of the Company.
- vi) The "Relevant Date" as per the SEBI (ICDR) Regulations for determining the minimum price for the preferential issue of Equity Shares and Convertible Warrants is November 20, 2014, being 30 days prior to the date of this EGM i.e. December 20, 2014.
- vii) The total amount payable for preferential issue of equity shares and 25% of the amount for preferential issue of Convertible Warrants shall be received by the Company prior to the respective allotments.
- viii) The Convertible Warrants shall be exercised within a period of 18 (eighteen) months from the date of their allotment, in one or more tranches.
- ix) At the time of exercise, the Equity Warrant holder(s) shall pay the balance 75% of the consideration payable in respect of the Equity Warrants so being exercised.

- x) Post allotment, pursuant to preferential issue of Equity Shares and conversion of all Warrants, the equity share capital shall stand increased to Rs. 39,27,26,200/- (Rupees Thirty Nine Crores Twenty Seven Lacs Twenty Six Thousand and Two Hundred only) and the securities premium shall stand increase to Rs. 65,78,33,500/- (Rupees Sixty Five Crores Seventy Eight Lacs Thirty Three Thousand Five Hundred only).
- xi) This is the first preferential issue of securities by the Company in this year and no other persons have been allotted any securities on a preferential basis during the current year. However the Company has approved an Employees Stock Option Scheme namely "Nila Infrastructures Ltd ESOP – 2014" at 24th Annual General Meeting held on September 20, 2014.
- xii) The allottees have not sold any equity share during six months preceding the Relevant Date. The entire pre issue shareholding of the proposed allottees, if any, shall be subject to lock in as per the SEBI (ICDR) Regulations. The entire shareholding of the Promoter and Promoter Group is in Demat form only.
- xiii) Pursuant to the provisions of Sections 62 read with Section 42 of the Companies Act, 2013 and as per the requirements of SEBI (ICDR) Regulations, issue of equity shares and Convertible Warrants require prior approval of the shareholders by a Special Resolution.
