Commenting at this juncture Mr. Deep Vadodaria, Chief Operating Officer said:

"As a strategy we concentrated on our core strength of Civil Construction and have executed a wide range of Civic Urban Infrastructure Projects e.g. BRTS Stations, Affordable Housing Projects, Multilevel Car Parking etc., while we also undertook orders for Private White Label, and Industrial Infrastructure Projects. Such approach is being confirmed as demonstrated by the improved financial performance for 9M-FY2016 vis-à-vis FY2015.

During the quarter, the Company has secured a unique project for Slum Rehabilitation and Redevelopment from AMC in Ahmedabad, which is amongst the first set of projects to be bid out on PPP basis. This PPP project opens up a whole lot of opportunities for future business endeavors as the compensation is in the form of balance vacant land and TDR, which interests only major players. The higher margins here ensure better profitability for the Company as a whole. There is a significant potential of such Slum Rehabilitation and Redevelopment projects on PPP basis as there are more than 500 slums in Ahmedabad itself. The Company is evaluating more of such opportunities.

Meanwhile, in line with the Memorandum of Understanding (MoU) executed by the Company with the Government of Rajasthan (GoR) under the aegis of the "Resurgent Rajasthan Partnership Summit - 2015"; the Company has bid for various Civic Urban Infrastructure Projects including Affordable Housing. GoR has since invited various bids amounting to approximately ₹ 10,000.0 million.

We are confident to continue the growth momentum in Q4-FY2016 in line with the performance of this FY so far. Our goal is to improve our profitability while growing the Civic Urban Infrastructure Project's order-book by leveraging our execution capabilities to deliver within the stipulated time and cost of our Principals. We believe the swift execution will be the key and for the purpose, we are working on a couple of modern, cost-effective and proven technologies that can ensure quick turnaround with adherence to the quality stipulations, too."

Order Book and opportunities:

The Company has received contracts worth ₹ 1,429.9 million during 9M-FY2016. The total confirmed unexecuted Order Book as on December 31, 2015 is ₹ 2,598.4 million of which 86% is of Affordable Housing; and 14% is Civic Urban Infrastructure projects. The major clientele for projects are Government agencies like Ahmedabad Municipal Corporation (AMC), Vadodara Urban Development Authority (VUDA), Rajasthan Avas Vikas and Infrastructures Limited (RAVIL). The Company is convinced about this Affordable Housing sector, moreso as it is now getting a significant push from the Pradhan Mantri Awas Yojana – "Housing for All by 2022" Scheme. It aims to construct more than two crore houses across the length and breadth of the nation within a span of next seven years.

The existing projects under execution by the Company are under EWS, LIG and MIG categories. Hence, the Company being already active in Affordable Housing space, the focus of Central and various State Governments on creating more affordable houses presents a huge opportunity for growth in our core area of strength. While EPC order-book will keep on growing in, almost, auto-mode, the Company is focusing to build Slum Rehabilitation and Redevelopment order-book on PPP basis.

Update on SRA Project

The Company has secured a Slum Rehabilitation and Redevelopment project on PPP basis in this quarter from AMC. The project involves construction of 518 residential units over a period of 24 months. The total cost of the project is ₹ 410.0 million. The contract remuneration will be in the form of vacant land worth ₹ 275.0 million and Transferable Development Rights (TDR) worth ₹ 135.0 million. The Company is in the process to execute an agreement for the Sale of such TDR and the funds will be deployed to execute the Project. While, the balance vacant land at the prime locality of Shahibaug, Ahmedabad can be either used for captive consumption or monetized depending on the market conditions and available opportunities.

External credit rating:

Brickwork Ratings India Pvt. Ltd. has upgraded the Company's Bank Loan Rating to "BWR BBB+" (BWR Triple B Plus) with Stable Outlook for the Fund Based Limits amounting to ₹ 705.2 million and "BWR A2" (BWR A Two) for the Non Fund Based Limits amounting to ₹ 294.2 million.
